HOW-TO GUIDE

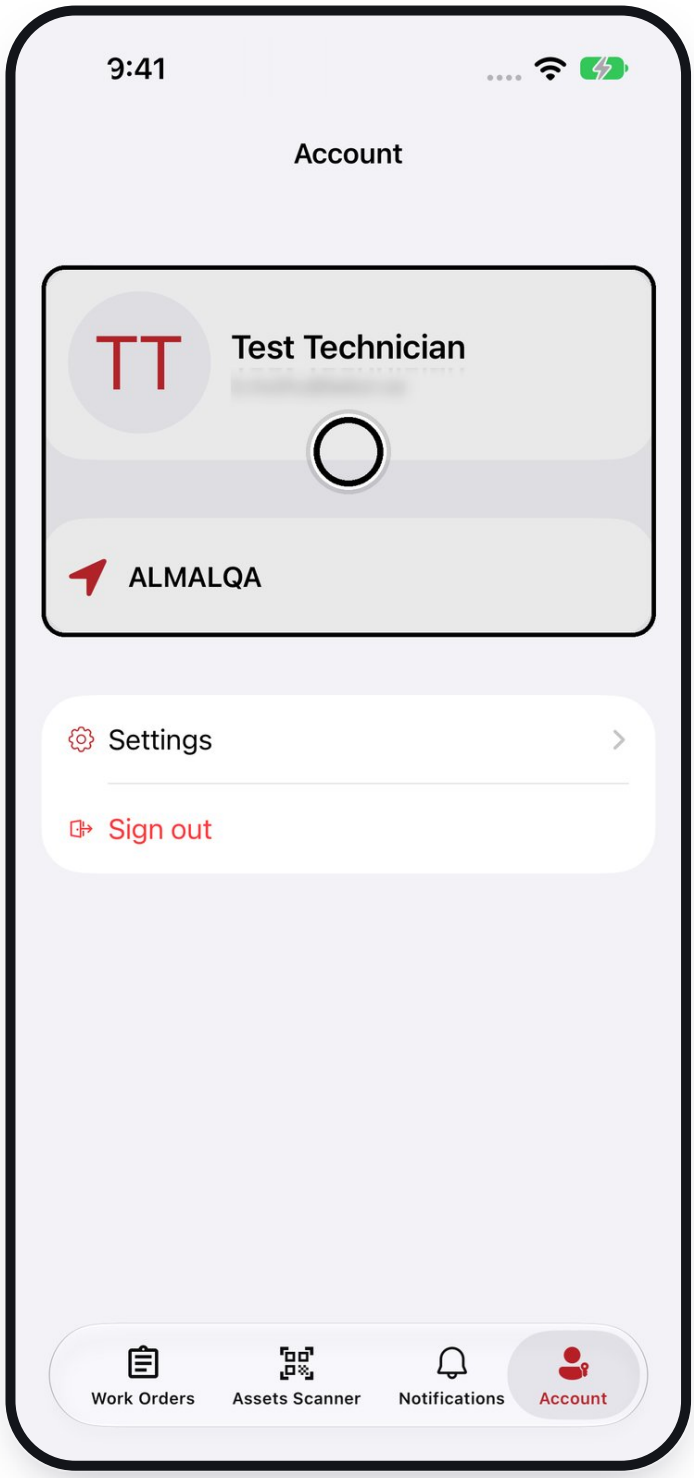

Manage your account

Your account shows who you are and which project you're assigned to. From Settings you can change your password, the app's look and language, and your notifications.

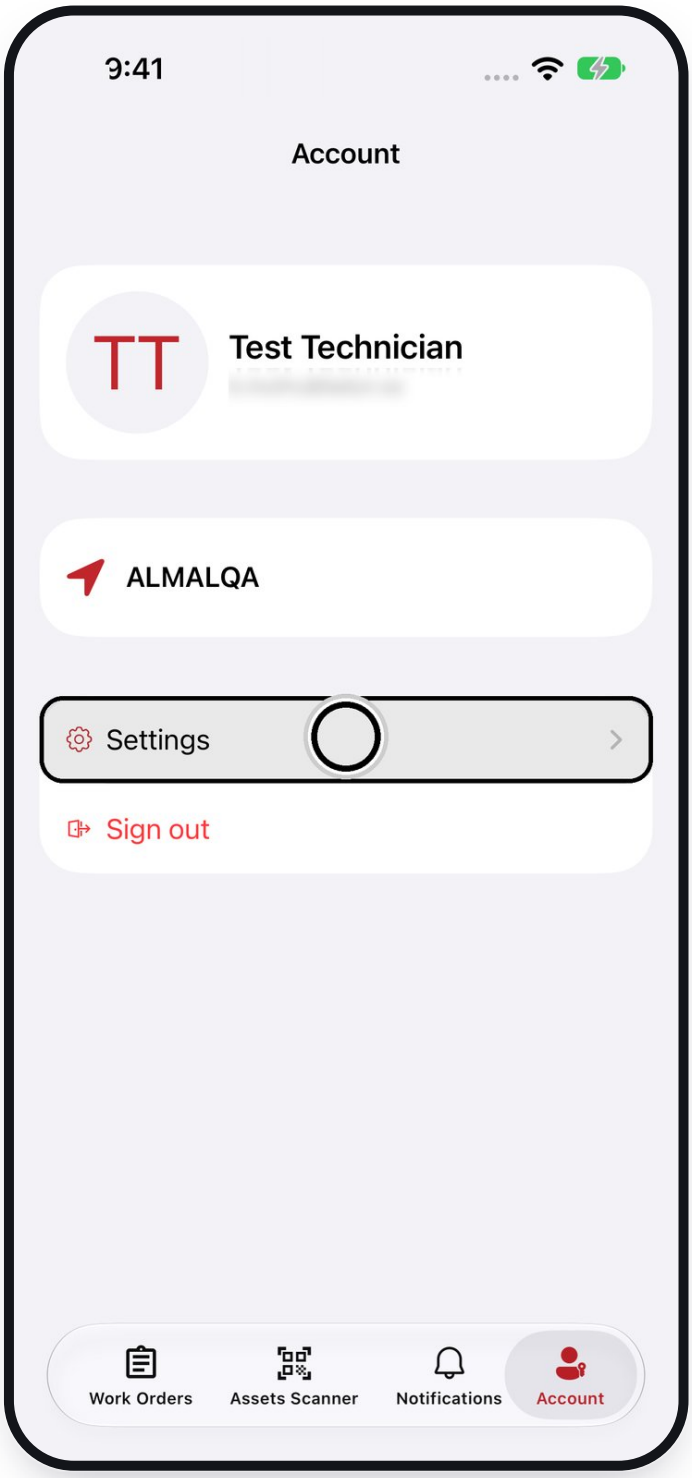

OPEN YOUR ACCOUNT

Tap Account in the bottom bar.

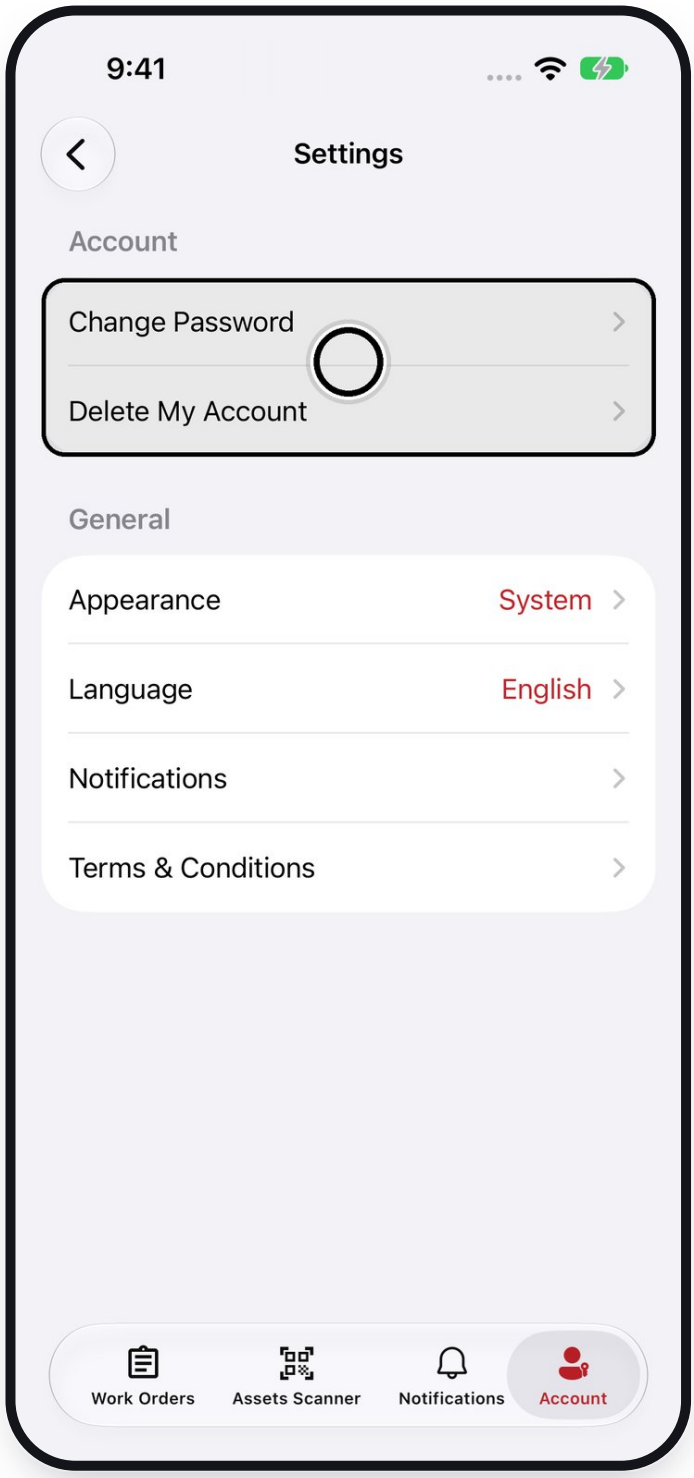

YOUR DETAILS

See your name and the project you're currently assigned to.

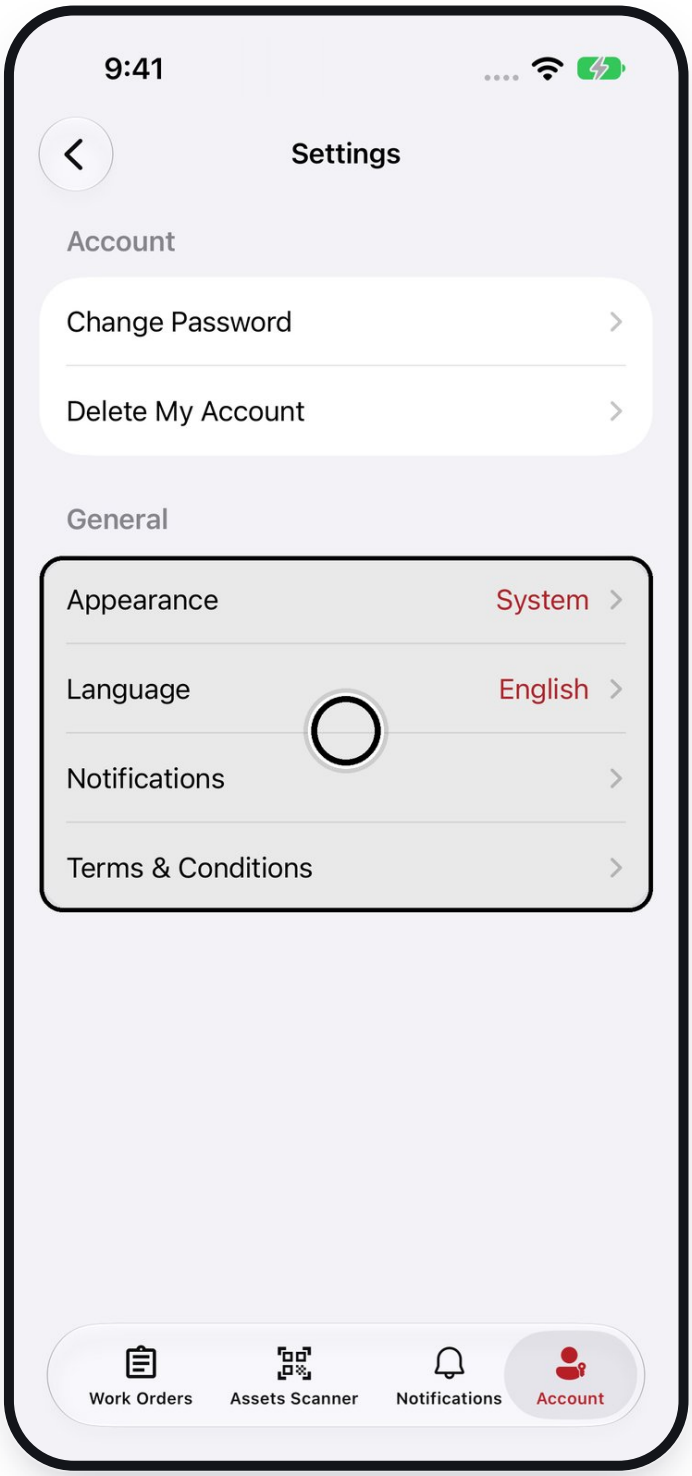

OPEN SETTINGS

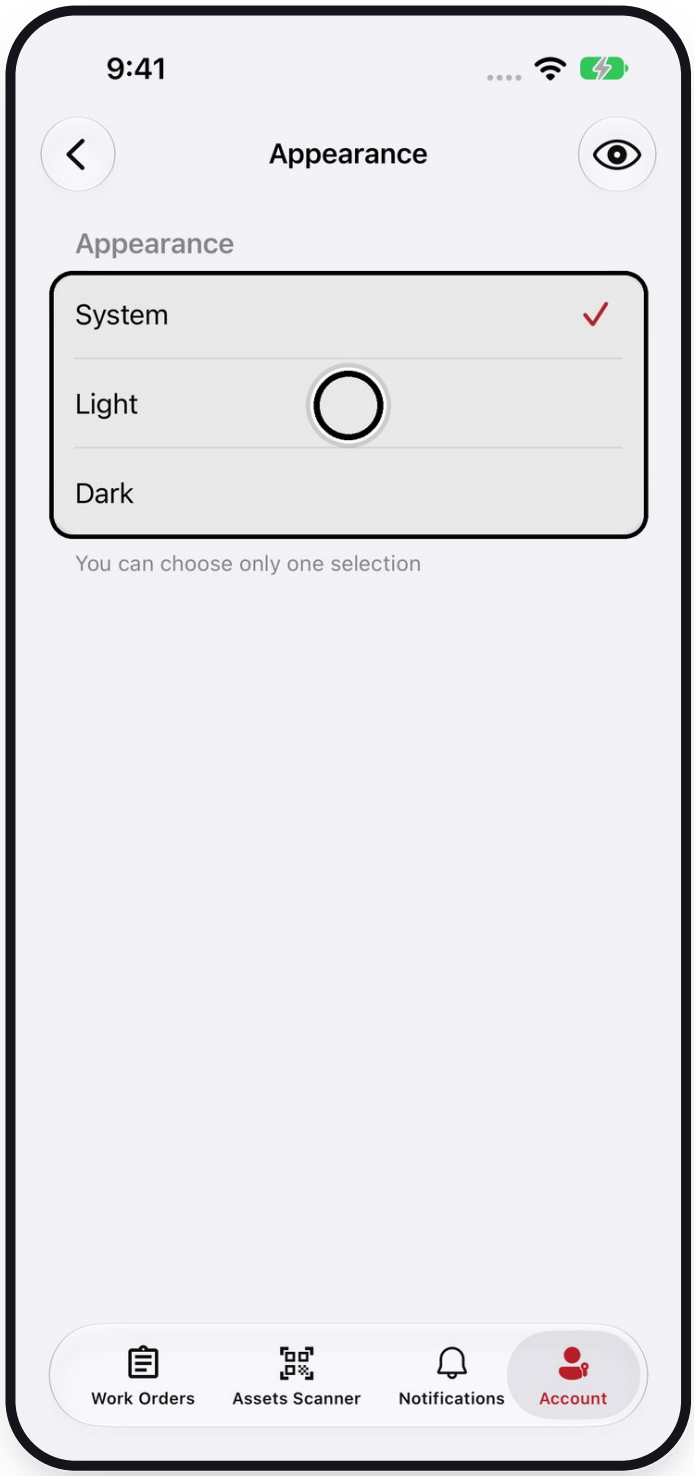

Tap **Settings**.

ACCOUNT SETTINGS

Under Account, you can **Change Password** or **Delete My Account**.

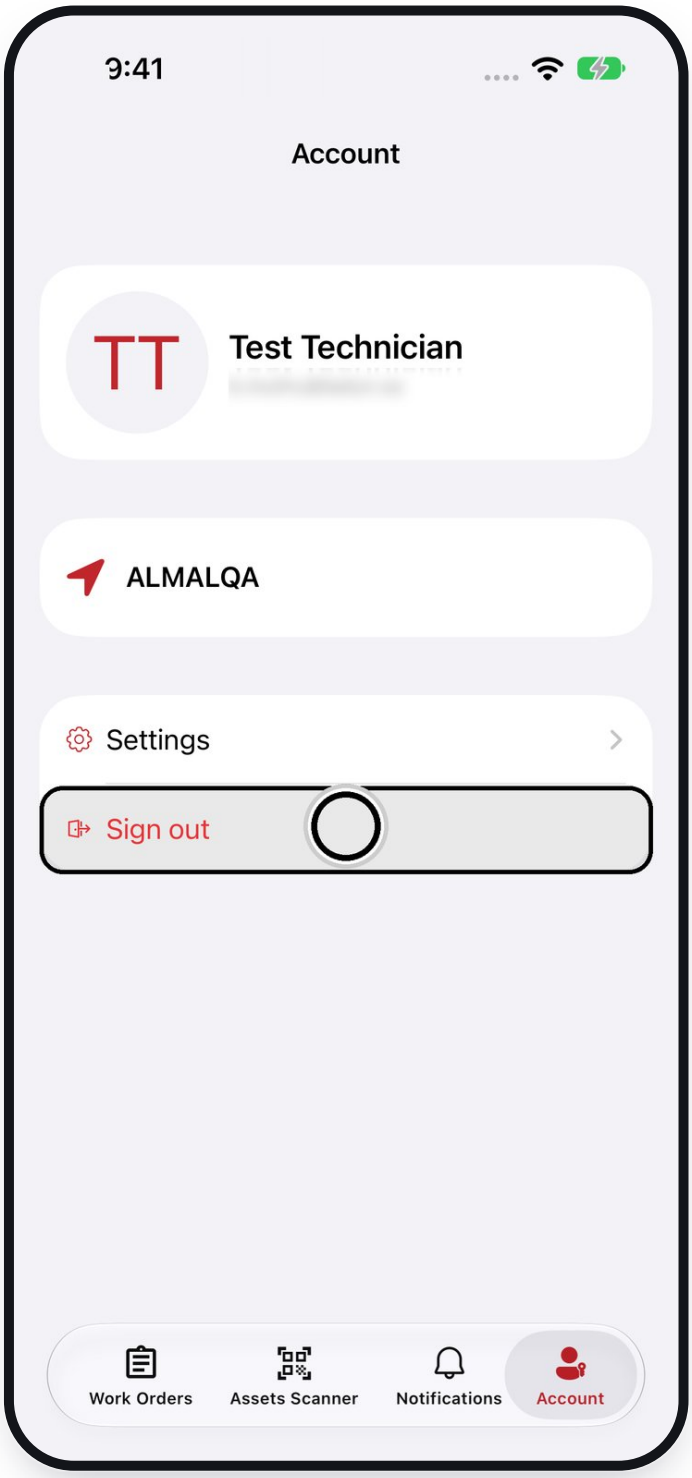

GENERAL SETTINGS

Under General, set the app's **Appearance** and **Language**, manage **Notifications**, and read the **Terms & Conditions**.

LIGHT OR DARK

In Appearance, choose **System**, **Light** or **Dark**.

All set

Come back here any time to check your project or change your settings.

Changing the language Language opens your phone's settings for the app, where you can switch it.

SIGN OUT

Back on Account, tap Sign out to end your session on this phone.
